**About the College**

Gobi Arts & Science College, established in 1968, is situated in sprawling 45 acres of land on 'Silver Hills' in the western outskirts of Gochettipalayam town in Erode district. It is one of the premier autonomous co-educational institution offering Undergraduate and Postgraduate cum Research programmes. The institution is affiliated to Bharathiar University, Coimbatore and it is accredited with 'A' Grade by NAAC (1<sup>st</sup> Cycle). The College is supported by DBT STAR College Scheme and DST-FIST.

**About the Department**

The Department of Mathematics is one of the prominent department in this institute and it was established in 1968. It offers study programs in Mathematical Sciences to serve the community, enrich knowledge through education and scientific research at Bachelor's, Master's and Ph.D. levels. The wide range of research areas include Cryptography, Differential equations, Design theory, Fuzzy theory, Graph theory, Image processing, Number theory and Topology being investigated currently by our department faculty members.

**About the Conference**

The aim of the conference is to provide a platform to the researchers and practitioners from various universities across the globe to meet and share cutting-edge development in the field of dynamical systems and soft computing. The outcome of this conference will gain information and insights presented by all invited speakers and young researchers that outline modern technologies and research trends committed. It will seed the extensions and advancement in the field of differential equations and their applications to the minds of mankind.
