A BRIEF HISTORY OF THE ORIGIN AND DEVELOPMENT OF GOBI ARTS & SCIENCE COLLEGE, GOBICHETTIPALAYAM

The seeds for starting the Gobi Arts College (presently known as Gobi Arts & Science College) were sown by Amarar Sri. K.M. Ramasamy Gounder, an eminent educationist and Member of the Legislative Assembly who had served as the Headmaster of the Diamond Jubilee High School, Gobichettipalayam. As the result, an Educational Agency in the name of the Gobi Arts College Council was formed in the year 1967.

The nucleus fund for starting the College came in the form of a generous donation of land worth of Rs. 2 Lakhs from munificent brothers Sri.S.N.Anantharaman and Sri.S.N.Devarajan, the sons of the philanthropic minded landlord Amarar Sri. S.D. Narayanaswamy Iyer.

The institution had its infancy on the premises of Diamond Jubilee Higher Secondary School and was assiduously nurtured by the erudite and sagacious duo Amarar Sri.K.M.Ramasamy Gounder and Amarar Sri. A.R. Somasundaram, a leading advocate and the Correspondent of the DJHS.

When the search was on for a permanent place, a generous gift of 10 acres of land adjoining the Silver Hills near Karattadipalayam came from the Founder Secretary of the Gobi Arts College Council Amarar Sri. K.A. Muthuswamy. Sustained efforts by the founding fathers yielded another 30 acres from the Government and other land owners adjoining the Silver Hills, thus making the new campus a sprawling 46.5 acres in extent.

Under the able and dynamic leadership of Amarar Sri.K.M.Ramasamy Gounder and Amarar Sri. A.R. Somasundaram with admirable assistance from a large number of donor members and the Secretary Amarar Sri. K.A.Muthuswamy, the College started functioning from 11th July, 1968 with Pre-University classes. On 30th July, 1968, the College was

formally inaugurated by the then Minister for Education Dr.Navalar V.R. Nedunchezhiyan. In the next year itself, the College was upgraded as a first grade college with the introduction of B.A. Economics and B.Sc. Mathematics.

Destiny dealt a severe blow to the march of the progress of the College due to the sudden and sad demise of Sri. K.M. Ramasamy Gounder followed by the passing away of Sri. A.R. Somasundaram. Not withstanding these calamities, the rest of the founding fathers rallied around the new President Amarar Dr. K.S. Janakarathnam to speed up the progress of the institution by starting of new courses and construction of new buildings. With the co-operation of all the Council members, the then Secretary Amarar Sri. K.A. Muthuswamy, the then Principal Prof P.N. Silambannan and the Staff, the President was able to collect an amount of Rs. 5 lakhs during 1976-77 which laid the solid financial foundation for the College.

With the financial crunch left behind, new courses like B.Sc., (Chemistry) in 1974, B.Sc., (Physics) and B.Com, in 1975 and a well planned Hostel were also added in the year 1975. Co-education was introduced in 1976 to facilitate the bright young girls who could not go out of the area to continue their higher studies, and also the Semester system in 1976.

Further, courses like B.Sc. (Botany) and M.A. (Economics) in 1979, M.Com. in 1980 and M.Sc. Maths in 1982 were started. BBM was introduced in 1984-85. In the same year, the evening college was started with the introduction of B.Com. course. Keeping in mind the varied needs of the academic field, courses viz., B.Sc. (Computer Science) (1985-1986), Post-Graduate Diploma in Computer Applications (1987-1988), M.C.A. (1988-1989), B.C.A. and B.Com. (C.A.) (2000-2001), M.Sc. (Computer Science) (2003-2004), B.A. English Literature and M.Com. (C.A.) (2004-2005), M.Sc. Physics (2005 - 2006), B.Sc. (Phy - CA) (2006 -07), B.Sc. (IT), M.Sc. (IT) and M.A. (English Literature) (2007 - 2008), B.Sc. (CT) (2009 - 2010) B.Sc. Maths (UA) (2015-16), B.Com. (PA) (2015-16), M.Sc. (Chemistry) (2015-16), B.A. Tamil Literature (2018 - 2019), B.Com. (B&I) (2019-2020), B.Com (Business Analytics) (2020 - 2021), CLIS

(2020- 2021), B.Sc. (Physical Education & Health Science) (2021-22), Gobi Arts Sports Academy (2021-2022) B.Sc. (IoT) (2022-23), B.Sc. (AI & DS) (2022-23), M.A. (Tamil Literature) (2022-23) and M.B.A. (2022-23) B.Com (IT) (2024-25) have been offered.

The Departments of Tamil, English, Economics, Mathematics, Physics, Chemistry, Commerce, Computer Science, Management and Political Science have been upgraded as research departments, offering both part-time and full-time M.Phil. and Ph.D. research programmes.

Thanks to the magnanimity and involvement of M/s.Sakthi Sugars Ltd., a sum of Rs.5 lakhs was received to construct the Library and Computer Science Block which is named after Thiru. P.G. Karuthiruman. The progress of the institution is maintained in a high tempo, even though no capitation fee was collected from students. By the efficient financial management of the College Council and the generosity of the persons who helped in procuring liberal donations, additional buildings for Mathematics PG Department and Economics Department were completed without much difficulty. After relinquishing the office of Presidentship by Amarar Dr.K.S.Janakarathnam, who had successfully completed an eventful period of 17 years, Sri. P. Karuppannan B.A.,B.L. a leading advocate took over the Presidentship from April 1989 to March 2022. After his retirement, the institution has been functioning under the able mentorship of Er.J.Balamurugan, an eminent scholar and educationist. With the able assistance and guidance of the Founder Secretary Amarar Sri.K.A.Muthuswamy, the College continued its growth with the construction of the First Floor of the Hostel during the year 1989-90 and Auditorium and Canteen in the year 1991.

After the demise of the Founder Secretary Thiru. K.A. Muthu-swamy on 2-1-1998, Thiru.K.M.Natarajan, B.A.,B.L., a leading advocate assumed office as Secretary & Correspondent in January 1998. After the competent service of Thiru. K.M. Natarajan, Thiru.M.Dharanidharan M.F.T. assumed office as Secretary & Correspondent in February 2016.

With two eminent personalities at the helm of affairs, the institution has been witnessing umpteen developments.

In tune with the progress of times, the College became Autonomous in 1987. As a mark of completing 25 years of dedicated service to the people of this area, a Silver Jubilee building to house the college Library and class rooms were constructed in the year 1996.

A separate block consisting of Computer Centre, Administrative Block and Conference Hall was constructed in the year 1998. Thiru. S.V.Balasubramaniam, Chairman of Bannari Amman Sugars Limited magnanimously donated Rs.15 lakhs for the development of the institution. The construction of the Botany wing, Men students' toilet, Non - residential women students' centre and extension of canteen had also been added to the infrastructure during 1999-2000. The construction of the Second floor of the main building was completed during 2000 - 2001. An annexure to the existing canteen measuring 600 sq.feet was added during 2000 - 2001.

A separate new building was constructed under the M.P. Constituency Development Fund during the year 2001-2002 and the construction of 15 class rooms were completed in the same academic year.

Adding to the ambience, a Vinayagar Temple was constructed during 2002 - 2003. A spacious hall for Meditation and Yoga Training measuring 4100 sq.ft. and eight class rooms were constructed in the same academic year.

The library was expanded by 16,840 sq.ft and was named after the former President of the College Council Dr. K.S. Janakarathnam. An internet browsing centre is being operational in the library.

To make education more effective and learner centric and ensure flexibility in choosing intra and inter disciplinary subjects according to the choice of the student, the Choice Based Credit System (CBCS) was introduced in the academic year 2003-2004.

The College is a recognized as IGNOU Study centre offering B.Com. and M.Com. courses from the academic year 2005-2006. It is also accredited to conduct coaching classes for the Common Proficiency Test (CPT) and Professional Competence Course (PCC) by the Institute of Chartered Accountants of India, New Delhi from the academic year 2005-2006. The Centre for Civil Service (Gobi Arts IAS Academy) has been functional from the year 2008 - 2009.

The UGC has accorded approval to the Commerce and Computer Science departments to conduct the Career Oriented Programmes – "Taxation" and "Web page Designing" respectively. The Institution is also the member of the Confederation of Indian Industry (CII) and Erode District Small Industries Association (EDISSIA).

An additional Computer Centre, Conference Hall (named after Amarar A.R. Somasundara Gounder), M.Sc. (Phy) laboratory, Controller Office and twelve class rooms measuring 33,300 sq.ft. were constructed during the academic year 2005 - 2006.

To ensure uninterrupted power supply, 500 KVA HT transformer and one Generator of 62 KVA were installed in the year 2006 - 2007. New toilet measuring 1800 sq.ft. was constructed in the year 2007-2008.

A sprawling Auditorium measuring 28,000 sq.ft. named after Amarar K.M.Ramasamy Gounder and Archaeological museum measuring 2500 sq.ft. were declared open in 2007-2008. An exclusive building for IT related courses was inaugurated during this academic year which accommodates three Computer Labs, A/C Conference Hall, Six Class Rooms and a Staff Room. Bharathiar University declared our college as "THE SECOND BEST COLLEGE" in overall performance among all the Arts and Science Colleges under its jurisdiction for the year 2007-2008.

(G)   Advanced Learners Course

For advanced learners aspiring to earn more credits, a self study course with one credit is offered. Students must have cleared all previous semeseter papers and attained the required GPA to enroll in this course.

Guidelines :

1. **Eligibility and Registration :**

    ### 1. Eligibility and Registration:

    Students may register for ALOCC for a minimum of one course per semester, provided it is offered during that semester.

    Students in their third, fourth and fifth semesters for undergraduate programs and in their second and third semesters for postgraduate programs are eligible to opt for ALOCC.

    To be eligible, students must have achieved a CGPA for more than 7.5 in completed semesters and must have no arrears.

    Students can enroll in any ALOCC COURSE offered by any department throughout the college.

    A maximum of three ALOCCs is allowed for undergraduate students and two ALOCCs for postgraduate students during their entire program of study.

2. **Course Structure:**

    These courses are purely self-study.

    Course instructors are available to assist with studying and to address any doubts.

3. **Credit Requirements:**

    One-credit courses are considered additional to the minimum credit requirements specified in the curriculum.

    Only one extra credit is awarded for each ALOCC.

4. **Assessment:**

    The Head of the Department may designate a faculty member as the course coordinator.

Each one-credit course is worth 50 marks and will be evaluated through end-semester examination (ESE) assessment only.

The question paper pattern and scheme will be determined by the course faculty and approved by the Board of Studies (BoS).

The examination format (online or offline) will be decided by the concerned BoS based on the nature of the course.

Students who fail in an ALOCC are not permitted to reappear for that course.

Students who fail in an ALOCC are also not allowed to choose the ALOCC in the succeeding semester.

Marks and grades will be included in the mark statement, in addition to the regular curriculum marks.

The marks obtained will be converted into corresponding letter grade

O = 90% & above	**A** = 80-89%	**B** = 70-79%
C = 60-69%	**D** = 50-59%	**E** = 40-49%

After completion of evaluation of the students the course teacher /co-coordinator must send a copy of grade to COE office through principal on or before the last working day of the semester. All the details pertaining to the course, like Registration, Attendance, Evaluation etc. must be maintained by the course teacher/ coordinator for the future reference.

CHOICE BASED CREDIT SYSTEM (CBCS)
GUIDELINES AND REGULATIONS

To make education more effective and learner centric, restructuri-sation of curriculum becomes essential. As a positive step in this direction, it was introduced the Choice Based Credit System (CBCS) from the academic year 2003-04 and the Outcome Based Education (OBE) was introduced from the academic year 2019 - 2020. Under this system, the academic programme becomes student-oriented, relevant, interdisciplinary and flexible. Apart from the core subjects offered by the departments, the student is at liberty to choose subjects of his/her choice offered by other departments also. Besides, the student has an opportunity to learn extra subjects, for which classes will be conducted outside the regular working hours and he/she can earn extra credit in addition to the mandatory credits required of him/her to qualify for the degree.

I. General Objectives of CBCS

- To enlarge and enrich the curriculum and to make education broad based, i.e., more knowledge and skill oriented.
- To ensure flexibility in choosing intra and interdisciplinary subjects, according to the choice of the students.
- To enable the interested students to earn extra credits.
- To facilitate the students to learn at their own pace.

II Definitions and explanations of concepts/terms

Credit : The weight assigned to each paper / subject, based on the quantum of work required of a student.

Paper/Subject : It refers to a theory or practical subject offered in a semester. Eg : Micro Economics, Business Law, Organic Chemistry.

Course	:	It refers to the faculty under which the paper/subject is offered. Eg : B.A., B.Sc.
Major	:	It refers to the discipline of study offered under each course. Eg: Economics, Mathematics.
Major (Core)	:	It is the subject which is essential for (Distributed over getting adequate knowledge in the chosen all semesters) course/major of study.
Major (Optional) (V Semester)	:	It is the subject offered by other Major Departments. which can be chosen by a student irrespective of the major to which he/she belongs.
Allied (Core)	:	It is the subject offered by a department other (I, II & III Semesters) than the major department or by the same department, the study of which is supportive and relevant for the core subject, hence compulsory.
Allied (Optional)	:	It is the subject offered by a department other (IV Semester) than the major department which may be studied by any student irrespective of the major to which he/she belongs.
Skill based subject (VI Semester)	:	It is the subject offered by the major department concerned consisting of theory and practical, to impart skills in the area identified by the department.
Supportive	:	It is the subject offered by a department other than (P.G.) the department concerned, the study of which is supportive and can be chosen by any student, irrespective of the department to which he / she belongs.

III (a) Guidelines regarding contact hours and credits for U.G. Programmes : (2021-2022 Batch onwards)

1. The language subjects will get 0.5 credit for every one contact hour per week unit.

2. Allied core theory & practical subjects will get 15 total credits.

3. Allied optional subject will get 5 credits.

4.   Major optional theory & practical subjects will get 4 credits.

5.   Major core theory and practical subjects will get 0.50 to 1 credit for every one contact hour per week unit.

Communicative English

To enable the students to acquire skills in English Communication, Communicative English Course will be conducted for all P.G. Programmes (I & II Semester) from 2021-2022 batch, outside the Curriculum. Certificates will be issued to the students who complete the programme successfully.

SET/NET

The self study paper viz., General Paper on Teaching and Research Aptitude is introduced for all PG courses in III semester. The online system of examination and evaluation is to be followed. If the candidates fail to attend in the concern semester are allowed to appear in the subsequent semesters. Attending examination is made compulsory to obtain the respective PG degree and the appropriate certificate will be issued on the completion of the course.

V. Extra Credit Courses (For UG and PG Subjects)

To enable students to acquire extra credits apart from the mandatory credits, the following subjects are offered outside the regular working hours, (before 10 AM and after 4 PM) with 1 credit for each subject. The student can opt for maximum of two subjects per annum (Odd & even semester of II/III year) for UG and PG courses.

1. Massive Open Online Course (MOOC)*
2. National Programme on Technology Enhanced Learning (NPTEL)*
3. Spoken Tutorial *
4. Study Webs of Active - Learning for Young Aspiring Minds (SWAYAM)*
5. Tamilnadu Skill Development Corporation (TNSDC)*
6. National Skill Development Corporation (NSDC)*

* To Enroll and Successfully Complete and after the Certification from the Authority Concerned, he/she will be awarded with an Extra Credit.

A student who has studied a paper under extra credit courses during his/her second year is not permitted to opt for the same subject during third year.

VI Mentor - Mentee

To help the students to plan their optional papers of study and to offer general advice on the academic programmes, a student will be assigned to a member of the faculty (Major Dept) who will function as "Mentor" throughout his/her period of study.

The Mentor will counsel students on matters relating to the choice of subjects, withdrawal, etc. The student will meet his/her Mentor at least three times during the semester.

VII Departmental Committee

Every major department will have a Departmental Committee consisting of

1. The HOD - Convenor
2. The faculty advisors of the department
3. Student representative of each class

The departmental committee is to meet at least thrice a semester to review all matters relevant to the academic programme. It is the responsibility of the HOD to keep the records, viz., the Agenda, Notes, Minutes and Diary, etc.

VIII   Registration procedure for optional subjects

♦   Registration for the optional subjects should be done with the subject teacher in consultation with the Mentor.

♦   Students are expected to register for subjects intended to be credited during the next semester on specified dates in the current semester and obtain the initials of the subject teacher on the registration card. For semester I, they will register at the beginning of the semester.

♦   Students are permitted to withdraw from a subject for valid reasons after one week of its commencement, on the recommendation of the Faculty Advisor with the consent of the Head of the Department of the student.

♦   Students may register, with the approval of the subject teacher concerned, for another subject in lieu of the subject from which they have withdrawn, during the second week of the semester subject to the availability of vacancy.

IX   Minimum requirements for the U.G. and P.G. degree courses

a)   Credits:

A student must necessarily complete and earn a minimum of 140 credits (Parts I, II, III, IV & V) to qualify for the Under-Graduate Degree.

A student must earn the minimum credits allotted to each of the P.G. degree programme to qualify for the degree. In case of M.C.A., M.Sc., (CS), M.Sc. (IT) and PGDCA programmes, students have to complete the programme within 4 years and 2 years respectively.

b)   Attendance :

(i)   A student will be permitted to take the End of Semester Examinations provided he / she has a minimum of 75% attendance. If his / her attendance is between 65% and 74%, he /she will have to apply for condonation of the shortage of attendance on payment of a prescribed fee. However, the power to condone or to deny condonation of shortage of attendance rests with the Principal.

ii) In case the shortage of attendance of a student exceeds the limit prescribed for condonation of attendance, he/she will not be permitted to appear for the End of Semester Examination.

iii) Those students, who could not write the End-of-Semester Examination can continue their studies in the subsequent semester. However, the student with less than 50% of attendance in any semester will not be allowed to continue his/her study in the subsequent semester and he/she will be permitted to rejoin the semester where the attendance is less than 50% and continue the course.

iv) Deficiency of attendance in one semester shall be compensated in the subsequent semester such that the combined attendance for any two semesters will be taken into account for determining the eligibility of a student to be permitted for the EOS Examination.

v) A student will be given only one opportunity to carry forward the deficiency in attendance of one semester during the degree course, failing which he/she has to re-do the course with the permission of the University.

c) Number of appearances

♦ The candidates with arrear in one or more subjects in U.G. Courses shall be given six chances including the first appearance, (except Part -I Tamil) to be taken successively under the same syllabus, i.e. The syllabus that obtained at the time of first appearance. In case of candidates having arrears after availing six chances, they shall have to take up their examinations under the syllabus then in force. In respect of Part-I Tamil, candidates with arrears shall be permitted to have two chances only, including first appearance under the same syllabus.

♦ The candidates with arrear in one or more subjects in P.G. Courses (Two year courses) shall be given four chances including the first appearance, to be taken successively under the same syllabus, i.e. The syllabus that obtained at the time of first appearance. In case of candidates having arrears after availing four chances, they shall have to take up their examinations under the syllabus then in force.

♦ If a candidate of MCA., M.Sc. Computer Science and M.Sc. (IT) does not complete the course successfully within a period of 4 years (2 + 2 years i.e. 8 semesters) from the date of his / her

joining, he/she will have to re-register and re-do the full course.

⬥ If a candidate of PGDCA does not complete the course successfully within a period of 2 years (1+1 year i.e. 4 semesters) from the date of his/her joining, he/she will have to re-register and re-do the full course.

X Testing and Evaluation System

a) Evaluation of students is based on both Continuous Internal Assessment (CIA) and End of Semester Examinations (EOS) to be held at the end of each semester. The EOS Examinations shall be of three hours duration.
