

## **SOFT SKILL TRAINING**

The Career Guidance and Placement Cell provide proper guidance and assistance to the students for enriching the soft skills.

The placement in-charge of various departments joins hand in hand with the Placement officer to guide the final year students and conduct structured trainings in soft skill developments. Aptitude tests and Mock Interviews are conducted to enhance their personal skills to face the campus interview confidently.

Special Lectures, Workshops, Seminars, Conferences and Motivational talks are conducted frequently by all the departments and eminent speakers are invited to enrich the technical knowledge of the students.

Our college alumni within the country and abroad voluntarily involve themselves to assists the students in soft skill training and assist the students to face the career oriented challenges. An MOU is signed with ICT Academy Chennai, An initiative of Governmnt of India to guide the students in their respective careers.
